

ISEES Young Scientist Award

Dr. Pooja Devi, scientist CSIR-CSIO awarded ISEES Young Scientist Award for her excellent contributions in the area of Material Science, Sensors and Energy Harvesting.

Shri Vijay Kumar Saraswat, (Member, NitiAayog) and Prof. Ashok Pandey (Chairman, ISEES), conferred Young Scientist Award 2019 to Dr. Pooja Devi in recognition of her outstanding work done towards the materials engineering for environmental and energy harvesting domains. The award was conferred in 3rd SEEC event held at IIT Roorkee during 18-21 December, 2018. The International Society for Energy, Environment and Sustainability (ISEES), founded at IIT Kanpur in January, 2014, aims to spread knowledge in the fields of Energy, Environment, Sustainability and Combustion. The selection for this prestigious Award is made by the executive committee of the society on the basis of prescribed criteria.

Award for CSIO scientist

TRIBUNE NEWS SERVICE

CHANDIGARH, DECEMBER 26
The International Society for Energy, Environment and Sustainability (ISEES) Young Scientist Award has been conferred upon Dr Pooja from the Central Scientific Instruments Organisation (CSIO) here for her contributions in the area of material science, sensors and energy harvesting.

The award was presented to her by VK Saraswat, member, Niti Aayog, and Prof Ashok Pandey, Chairman, ISEES, during the third ISEEC event held at the Indian Institute of Technology, Roorkee. The society, founded at the IIT Kanpur in 2014, aims to spread knowledge in the fields of energy, environment, sustainability and combustion.

Dr Pooja has developed various low-cost functional materials for water pollutants detection using opto/electrochemical techniques. She has also contributed in area of

solar photo-electrochemical water splitting for clean fuel (hydrogen) production. She has also published 44 research papers in international peer reviewed journals.

सीएसआईओ की डॉ. पूजा को युवा वैज्ञानिक का अवार्ड

चंडीगढ़। मैटरियल साइंस, सेंसर्स और इनर्जी हार्वेस्टिंग के क्षेत्र में उल्लेखनीय योगदान के लिए सीएसआईओ की डॉ. पूजा को आईएसईईएस यंग साइंटिस्ट अवार्ड से सम्मानित किया गया है। यह पुरस्कार आईआईटी रुड़की में गत दिनों आयोजित समारोह में नीति आयोग के सदस्य विजय कुमार सारस्वत और आईएसईईएस के चेयरमैन प्रो. अशोक पांडेय ने प्रदान किया। डॉ. पूजा वर्तमान में यहां सीएसआईओ में एग्जीक्यूटिव डिवीजन में वैज्ञानिक पद पर कार्यरत हैं।
