PROMOTING SCIENTIFIC TEMPER THROUGH  
STUDENT - SCIENTIST CONNECT PROGRAM

A SCIENCE OUTREACH PROGRAM AT CSIR-CSIO

## CSIR-CSIO Vigyan Prastuti Competition-2019 (Punjab/Haryana region)

Let your "Ideas" flow, Get creative and entertaining, and make a video to explain a daily life problem and its feasible scientific solution.

CSIR-CSIO welcomes students from all over Punjab/Haryana region to participate in **Vigyan Prastuti Competition**. This is a competition for students to showcase their skill, knowledge, and creativity to tackle the general societal problems.

### What is Vigyan Prastuti competition?

- Vigyan Prastuti is a scientific talk where student scientist present some scientific idea/topic to a audience which may or may not be expert in science.
- Vigyan Prastuti is a form of science communication.
- The focus lies on teaching current science to a diverse audience in an entertaining way.
- Vigyan Prastuti is open to all fields of science.

### Submission Guidelines

- Make a 5 min (max) video of your presentation of any scientific topic by your phone camera or digital camera (or equivalent).
- Mode of communication- English, Hindi or Punjabi.
- Video can be a powerpoint presentation with voice over explaining it or simple drawings to explain your ideas with voice over, you can also feature in the video with small activities or working model.

The competition has two stages:

**Stage I-** Virtual Pre selection (online) where students will make a short video on a societal problem and its solution in creative, entertaining, and accessible way and submit same at [csiojigyasa@gmail.com](mailto:csiojigyasa@gmail.com).

**Stage II-** The Live finals where the finalist will perform in front of the review panel and audience in CSIO Chandigarh, who will choose the winner.
