In terms of the ICMR National Ethics Guidelines for Biomedical and Health Research Involving Human Participants, 2017, the objectives and targets of the committee shall be as follows:-

1. To ensure protection of the dignity, rights, safety and well-being of the research participants.
2. To ensure ethical conduct of research by the investigator team.
3. Declaration of conflicts of interest to the Chairperson, if any, at each meeting and ensuring these are recorded in the minutes.
4. Perform its functions through competent initial and continuing review of all scientific, ethical, medical and social aspects of research proposals received by it in an objective, timely and independent manner by attending meetings, participation in discussion and deliberations.
5. To ensure that universal ethical values and international scientific standards are followed in terms of local community values and customs.
6. Assist in the development and education of the research community in the given institute (including researchers, clinicians, students and others), responsive to local healthcare requirements.
7. Responsibilities of members should be clearly defined. The SOPs should be given to members at the time of their appointment.
8. The Secretariat should support the Member Secretary and Alternate Member Secretary (if applicable) in all their functions and should be trained in documentation and filing procedures under confidentiality agreement.
9. To ensure that privacy of the individual and confidentiality of data including the documents of EC meetings is protected.
10. Review progress reports, final reports and AE/SAE and gives needful suggestions regarding care of the participants and risk minimization procedures, if applicable.
11. Recommend appropriate compensation for research related injury, wherever required
12. Carry out monitoring visits at study sites as and when needed.
13. Participate in continuing education activities in research ethics and get updated on relevant guidelines and regulations.
14. May see that conduct of same/similar research by different investigators from same institution is harmonized. 'Me too' research (replicative) should not to be encouraged and submission of same research to different funding agencies should not be accepted

The tenure of the committee is extended further for a period of 02 years from the date of the issue of this OM.

The Chairperson and external members shall be eligible for TA/DA, as per rules.

No. CSIO/Committee/General/2019

Date: 25.03.2022

कार्यालय ज्ञापन / OFFICE MEMORANDUM

Subject: Notification of Ethical Committee as Bio Medical Ethical Committee [BMEC] and its tenure Extension.

The Director, CSIR-CSIO has been pleased to rename the Ethical Committee as “**Bio Medical Ethical Committee**” and extend its tenure for a further period of one year i.e, upto 24.03.2023 consisting the existing members as under:

- | | |
|---|-----------------------------------|
| 1. Dr. Archana Bhatnagar
Professor & Chairperson
Department of Bio Chemistry
Punjab University, Chandigarh | Chairman |
| 2. Dr. Viren Sardana
Principal Scientist
CSIR-IGIB, New Delhi | Member
Basic Medical Scientist |
| 3. Dr. Rohit Jindal
Associate Professor
Department of Orthopedics
GMCH, Sector 32, Chandigarh. | Member
Clinical |
| 4. Shri. Sunil Saharan
Advocate
Punjab & Haryana High Court
Chandigarh | Member
Legal Representative |
| 5. Professor Rajesh Gill
Department of Sociology
Punjab University, Chandigarh | Member
Social Scientist |
| 6. Smt. Garima Saini
Assistant Professor
NITTTR, Chandigarh | Member
Lay Person |
| 7. Dr. Suman Singh
Sr. Scientist, Agrionics Division
CSIR-CSIO, Chandigarh | Member Secretary |
